

## Department Store Maths

By Dr. Nancy Mills, Dr. Graham Lawler

Glmp Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 290 x 206 mm. Language: English . Brand New Book. Department store Shopping is a life skill that is rarely taught. That is the purpose behind this book, to enable children and young people to acquire experience and to be able to reflect on that experience. It is written as a black line master with a cd of worksheets for the busy teacher. It is particularly useful for ks3/4 and for those students in FE who have are following skills for life/adult skills/basic skills courses. It will also be of interest to teachers in prisons and workplace trainers who need to upskill trainees. This is a flexible resource that will be of use to Welsh teachers for essential skills Wales, other teachers for functional skills and will fit well into the Scottish Curriculum for Excellence. The book also covers issues like the use of the Euro and setting up home. The whole purpose of this book is to encourage young people to think about money and their attitudes to it.

### Reviews

*This composed book is excellent. it was actually writtern very perfectly and valuable. I found out this book from my i and dad advised this book to learn.*

-- **Maymie O'Kon**

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
