## Reviews

*An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.*

*(Dr. Raven Ledner)*

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 370 pages. Original publisher: Washington, DC : National Assessment Governing Board, U. S. Dept. of Education, 2007 OCLC Number: (OCoLC)746326539 Subject: Science -- Study and teaching -- United States -- Evaluation. Excerpt: . . . Science Assessment and Item Specifications for the 2009 NAEP ( Prepublication Edition ) The Science Assessment at a Glance The NAEP Science Assessment will include items sampled from the domain of science achievement identified by the intersection of the content areas and science practices ( i. e. , performance expectations ) at grades 4, 8, and 12. The types of items to be used on the assessment include selected-response ( multiple-choice ) items and constructed-response items ( which include short and extended constructed-response items as well as concept-mapping tasks ). Some combination items may require more than one response. Such combination items include item clusters, Predict-Observe-Explain ( POE ) item sets, hands-on performance tasks, and interactive computer tasks. The responses requested may be all selected-response, all constructed-response, or a mixture. At each of grades 4, 8, and 12, student assessment time will be divided evenly ( 50 -50 ) between selected-response items and constructed-response items. Extra assessment time will be provided for a portion of the student sample so that hands-on performance tasks and interactive computer tasks can be administered. At grade 4, the items will be distributed approximately evenly among Physical Science, Life Science, and Earth and Space Science. At grade 8, the balance shifts toward a somewhat greater emphasis on Earth and Space Science, whereas at grade 12, the balance shifts toward the Physical and Life Sciences with a lesser emphasis on Earth and Space Science. Finally, the distribution of items across the science practices will be approximately 60 combining Identifying...
