The use of linen passed from Egypt to Greece and Italy. Besides forming agreeable and beautiful apparel, the rags are made into paper. The seeds of the flax yield an oil well known in commerce under the name of linseed oil. The cakes of seed remaining after the oil is expressed are used for fattening cattle and sheep. In the three chief varieties of flax; the first produces a tall and slender stem, with very few flowers, ripens late, and affords the longest and finest fibers; the second produces numerous flowers, and is the most proper for cultivation where the seed is the object, but its fibers are short and coarse; the third is the most common, and is intermediate between the other two. Flaxman, John, an English sculptor and draughtsman; born in York, England, July 6, 1755. His father...
