Instructional Fair. Paperback / softback. Book Condition: new. BRAND NEW, Complete Library Skills, Grade 5, Linda Turrell, Rebecca Warren, The Complete Library Skills provides easy-to-use reproducible activities that leave students excited about the wealth of opportunities available in a library. Help students build essential skills such as using a computer to search, understanding reference materials, taking notes, and organizing research. Because computers are such an important part of library work, pages throughout focus on technology skills. Students will practice performing searches, including activities on author, subject, title, and keyword searches and evaluating Internet sites as sources. Also included is a list of grade-appropriate and award-winning literature selections. Empower your students to be inquisitive learners as they use the library to explore their world. Written by an award-winning author, this book will help you excite students about their time in the library and give them complete confidence in their skills.
