2013. Hardcover. Book Condition: New. 400 This is a practical book, but it is not a "how-to" book. Instead, it deals with the What, When, and why; to do PR in an effective way. Tourism and Public Relations are discussed under five main headings. Tourism concepts, Public Relations and Code of Ethics, Public Relations in Government, Marketing Public Relations and PR and Tourism. Chapter I on the Tourism Concepts presents tourism alike as purposeful and as a discipline. It shows first where and how about the tourism concepts and fundamentals. It then discusses about tourism as a viable business or services. Chapter II focuses on the PR and Code of ethics that is important to the today and tomorrow. It deals with various models, principles and ethics. Chapter III Public Relations in Government highlights about PR skills and how to develop media programmes and maintain media relationships. And finally, Chapter IV PR and Tourism talks to tapping the tourism potential with effective communication and PR. The potential the country has for tourism is simply huge.
