

## Vindicated: Big Names, Big Liars, and the Battle to Save Baseball

Filesize: 2.37 MB

### ***Reviews***

*This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Ms. Ora Buckridge)*

## VINDICATED: BIG NAMES, BIG LIARS, AND THE BATTLE TO SAVE BASEBALL

SIMON SCHUSTER, United States, 2009. Paperback. Book Condition: New. 224 x 146 mm. Language: English . Brand New Book. Vindicated is the New York Times bestselling memoir from Jose Canseco with shocking new details about Major League Baseball s steroid epidemic. In 2005, Jose Canseco blew the lid off Major League Baseball s steroid scandal and no one believed him. His New York Times bestselling memoir Juiced met a firestorm of criticism and outrage from the media, coaches, clubs, and players, many of whom Canseco had personally introduced to steroids with a needle in the ass. Baseball s former golden boy, Rookie of the Year, onetime Most Valuable Player, and owner of two World Series rings was called a liar. Now, steroids are back in the headlines. Record-breaking athletes are falling from grace, and the infamous Mitchell Report confirmed the names of major leaguers who have indeed used steroids while others remain under investigation. The answer is clear: Jose Canseco told the truth. And why wouldn t he? He started it all. Finally, in Vindicated, Canseco picks up where Juiced left off, revealing details even more shocking than in his controversial first book. He spills never-before-implicated names arguably the biggest in the game of baseball and explores the mystery of one celebrated player about whom key information was suddenly excised from Juiced at the last minute. He talks candidly about what the Mitchell Report did and didn t get right, why steroid use became so rampant, and how his life has changed since he tore the lid off Pandora s box. Lest there be any doubt about the veracity of his claims, Canseco subjected himself to three lie detector tests, one of which was conducted by a former FBI special agent and top polygraph examiner who investigated the Unabomber, Whitewater, the...
