

The Theory of Everything, Solved: A Simplified Explanation of the Nature of the Universe

Filesize: 1.57 MB

Reviews

Merely no words to clarify. I could comprehended every little thing using this created e pdf. I am just effortlessly could possibly get a enjoyment of reading through a created publication.

(Mr. Ari Powlowski)

THE THEORY OF EVERYTHING, SOLVED: A SIMPLIFIED EXPLANATION OF THE NATURE OF THE UNIVERSE

To read **The Theory of Everything, Solved: A Simplified Explanation of the Nature of the Universe** PDF, remember to click the web link beneath and download the ebook or have accessibility to other information which are in conjunction with **THE THEORY OF EVERYTHING, SOLVED: A SIMPLIFIED EXPLANATION OF THE NATURE OF THE UNIVERSE** book.

iUniverse. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 9.1in. x 6.1in. x 0.5in. For many years, scientists have attempted to unite the four fundamental forces—the strong and weak nuclear forces, gravity, and electromagnetism. Many have tried uniting known theories, such as general relativity, with quantum mechanics, string theory, and even the standard model. These theories differ, and it seems difficult to find a link to connect them. In *The Theory of Everything, Solved* author and researcher Lawrence J. Wippler explains a new theory and provides an alternate understanding of the workings of the atom. He found that the four fundamental forces of nature can be united by just three particles—the north and south magnetic monopoles and a particle of matter that represents an element. He describes how these particles interact with each other and how they are able to create all forms of energy, including magnetism and gravity. Setting aside the presently known theories and laws of physics and attacking the problem from a different perspective, Wippler kept his assumptions simple when developing the three-particle theory. In *The Theory of Everything, Solved* Wippler shows that the north and south monopoles and a particle of matter are the building blocks of the universe. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
