Wedge of Truth

By Phillip E. Johnson

IVP Books. Paperback. Book Condition: New. This item is printed on demand. Paperback. 192 pages. A 2001 ECPA Gold Medallion Award winner! A 2001 Christianity Today Award of Merit winner! Science is the supreme authority in our culture. If there is a dispute, science arbitrates it. If a law is to be passed, science must ratify it. If truth is to be taught, science must approve it. And when science is ignored, storms of protest are heard in the media, in the university--even in local coffee shops. Yet a society ruled by science (and the naturalistic philosophy that undergirds much of it) faces major problems. Science speaks so authoritatively in our culture that many are tempted to use its clout to back claims that go beyond the available evidence. How can we spot when such ideological slight of hand has taken place More important, while we may learn a great deal from science, it does not offer us unlimited knowledge. In fact, most scientists readily acknowledge that science cannot provide answers to questions of ultimate purpose or meaning. So to what authority will we turn for these The deficiencies in science and the philosophy (naturalism) that undergirds it call for...
