 Looking for Love in All the Wrong and Right Places is a novel
 that takes a spirited look at the lives of four young women who
 live and love in New York City. How they manage a multitude of
 character-testing experiences and sail through some rather
 risque antics, and how two of them cope with a case of sibling
 rivalry are major elements in the story. From seeking out the
 right man to marry, to having married the wrong one, and
 even to having a same-sex partner, the women live
 unpredictable lives. Because all of the women in the book,
 mothers, as well as daughters, have been looking for love and
 don't always find what they want, (or sometimes lose what
 they have,) the book also suggests the dark Miss Lonelyhearts
 side of life. But in the end, there is a happy conclusion -- with
 the main heroine, Tessa McMullan, walking down the aisle a
 smarter, more evolved young woman. The story takes place in
 2012; three of the women are now in...
