

Yorktown and Nordheim

By Yorktown Historical Society, Nordheim Historical Society

Arcadia Publishing (SC), United States, 2011. Paperback. Book Condition: New. 234 x 165 mm. Language: English . Brand New Book. Founded 7 miles apart in south central Texas, Yorktown and Nordheim were settled by German immigrants. These immigrants found the rolling hills and grassland full of oak trees suitable for settlement, and the rich soil helped to make farming a way of life. Yorktown was settled near the Coletto Creek as a rest stop along the Indianola Trail for teamsters delivering freight to New Braunfels. Nordheim was settled because it was a high point and beacon for settlers, and it continued to grow when the San Antonio and Aransas Pass Railroad was built. As the towns grew, so did the businesses and churches. The settlers shared a love of music, and bands came together to perform at various functions. On Saturdays the farmers, their families, and hired help would come to buy supplies, visit friends, and enjoy a day away from work. Today the spirit of community is still strong as citizens put together annual celebrations and activities that promote tourism and help to maintain local pride.
