### ***Reviews***

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

## ME AND MY SEWING MACHINE: A BEGINNER'S GUIDE

To get **Me and My Sewing Machine: A Beginner's Guide** eBook, remember to click the web link below and download the ebook or have accessibility to other information that are relevant to ME AND MY SEWING MACHINE: A BEGINNER'S GUIDE ebook.

Apple Press. Paperback. Book Condition: new. BRAND NEW, Me and My Sewing Machine: A Beginner's Guide, Kate Haxell, Accessible, good-looking and jargon-free, this book contains everything you need to know to sew well using your sewing machine - and nothing more. There are no scary couture-type techniques that real sewers never use, no painstaking procedures that don't actually make your sewing easier, or help it look better, and no complicated methods of doing anything. Instead you will find easy-to-understand, practical and decorative techniques that make sewing simple, even if you have never used a machine before. There are lots of clever tips plus shortcuts that can make things faster and easier to do, with clear advice on when you can use these speedy methods and when it really is better to do something the traditional way. Everything is illustrated with clear step-by-step photography and finished samples, with variation samples where appropriate. As well as techniques, there are some easy projects you can make on your sewing machine and although they are simple, they don't skimp on style. About the author Kate Haxell learned sewing from her grandmother at a young age, creating eccentric outfits for her compliant dolls. After obtaining her art degree, she went to work for Country Living, then moved into book publishing and editing. Kate's previous books include Decorative Knitting, The Seed Bead Book and First Knits. She lives in London.
