

## Seacoast Maine

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## SEACOAST MAINE

David R Godine. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. For more than five decades, George Tice has been photographing the landscape of America, and a number of his images have become icons of their time and field. But no other state has held for him the particular affection of Maine its rockbound coastline, its precarious and isolated islands, its independent and hardworking people. And unmistakably, there is the sense of coming from almost another time and place, and, in the last decade or so, of a landscape transforming itself all too quickly into the conventional palette of the twenty-first century of its fast-food predictabilities, strip mall excrescences, and the anonymous tangles of the internet highway. This book makes its focus the Maine we all want to remember and the coastline we perhaps visited at one time and grew to love. Tice, for the past five years, has concentrated on assembling and arranging his favorite photographs. The result is comparable in its scope to Szarkowskis portrait of Minnesota and in sympathy to Evanss elegy to Alabama. In all, 107 quadtone photographs, from the fogs off Eastport to the lobster boats off Monhegan, from the grain elevators of Portland to the Shakers of Sabbathday Lake. The emphasis is on the coast, on its ports, its people, its geography, and its architecture. And this seems excusable: for most of us, Maine is its coast. It predominates in our minds eye, in the popular imagination, and in the images featured in this book. Still, the real rationale of a book like this is to validate the vision and the work of an artist, and this ambition is more than justified by page after page of dauntingly beautiful images, carefully arranged and faultlessly printed. If Maine is a state...
