Brand New Book ***** Print on Demand *****.Military families spend time apart while serving their country, with one or more parents deployed. This beautifully illustrated children s picture book helps explain to the child how life will continue while the parent is away and how to communicate over the distance until the day they reunite. The story and art enables each child to interact with the deployed parent by talking about ways to keep in touch, so they can emulate. At the end, two cutout pages allow the child to write a letter and draw a picture for their deployed parent.
