Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Little Masterpieces This volume of selections from the writings of Macaulay begins with that portion of his essay on History which deals with the functions of the modern historian. It was written at the age of twenty-eight, and announced a program to which the author steadily conformed throughout his literary career. Three years before, Macaulay s essay on Milton had given him sudden fame, and the passage devoted to the Puritans, reprinted here, is a well-known example of the brilliant though somewhat over-accented style which was one of the causes of his immediate success with the public. The pictorial method of writing history has never been more perfectly displayed than in the sketch of the trial of Warren Hastings. For fifty years it has been reprinted in reading-books; to use literally one of Macaulay s favorite and threadbare phrases, every schoolboy knows it; and yet it cannot be read without a thrill of enjoyment in the familiar scene, or without admiration for the author s workmanship.
