Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

THE SMALL BUSINESS ADVANTAGE: FROM SURVIVING TO THRIVING THROUGH OUTSTANDING CUSTOMER SERVICE

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Have you ever noticed that most of the advice about creating great customer service comes from the world of big business? It suggests that in order to develop excellence you need to learn from global Hotel chains, enormous car rental companies, luxury department stores or massive technology firms. If you are a small business this kind of advice is well-intentioned but often of little use. You likely know already that outstanding customer service can be a real difference maker when it comes to small businesses, but how exactly does a small business develop outstanding service? You won't do it by copying what Airlines or online shopping giants do. Customer service is not getting better, it's getting worse. Almost everybody has a story to share about a terrible customer service experience. These stories span almost every kind of business and can be found all over the globe. Really smart businesses understand that this is not good enough. If you want to remain in business, remain profitable and keep your best customers you need more than ever to focus on making sure you're better than the rest. The best way to differentiate your business from your competition is the quality of the service you provide. Nowhere is this more important than the world of small business. In these pages you'll learn how customer service has become so bad as you explore the specific things businesses do that damage the customer's experience. You'll find out what customers really want and why they behave as they do. You'll see what you need to do to re-focus on customer service, and how to create the right environment to deliver excellent...
