THE SEASONS OF LIFE

Wipf Stock Publishers, United Kingdom, 2012. Paperback. Book Condition: New. Reprint. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: In the light both of the Bible and of modern science we are confronted not with an abstract and generalized man, but with men who are concrete and personal. They are always in their context, in a certain relationship to the world, to others, and to God. They are always changing. This changing is made up of seasons, stages in their lives, each of which has its own characteristics and peculiar laws. It is in this life story that God's plan may be accomplished. Author Biography: Paul Tournier (1898-1986) was a general practitioner in Geneva and also an active Christian. In 1940, he published his first book, *La Medecine de la Personne*, later translated into English as *The Healing of Persons*. He changed his medical practice by taking most of his time for listening and talking to his patients, not only considering the physical dimension of their being but also the psychological and spiritual dimensions. In 1947, he founded the International Group...
