Poisoned Pen Press. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.6in. x 5.6in. x 0.7in. Canadian historian Gillian Adams finds herself back in Cambridge. Shes set to enjoy that lovely city in high summer--and her romance with Scotland Yard Detective Chief Inspector Edward Gisborne, even though hes tying up a child-killing case in Lambeth. Then the death of a research fellow in the Department of Chemistry shocks both the university and the town. Gillian is linked to the victim through old friends and to the Cambridge police through Edward. Ideally placed to investigate Wendy Fowlers murder, she turns up evidence of venomous professional rivalries and at least one clandestine liaison. Not to mention that Wendy, a volunteer at the Pregnancy Information Service, is herself pregnant. Then a second body turns up. There is no compelling evidence to link it to Wendy, nor to the motives ascribed to the suspects in her death. As the police sift the facts, Gillian looks at the crimes from a feminist perspective, seeing that that science, contemporary mores, and more conservative traditions have produced a volatile--indeed, fatal--mixture. . . . Gillian Adams began her sleuthing career with *In the Shadow of Kings* and *My Sisters Keeper*. Her fourth case, *Old Wounds*, won Canadas 1999 Arthur Ellis Award for Best Novel. Ms. Kelly is at work on a 5th novel. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
