Two Sense Publications, United States, 2012. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Greatest Story NEVER Told is here. What does the future hold for us? The inseparable bond between past and future is the cause and effect of our collective beliefs and the choices influenced by them. Today's world mirrors the obvious flaws in our basic assumptions. Unsolved mysteries of ancient history serve as evidence to errors in our religious and historical precepts. Awaken to the Inherited assumptions that shape our destiny. The key to the cryptic message of Revelation is in the Metaphysics of Truth - THE TRUTH IS ALWAYS TRYING TO REVEAL ITSELF TO US. Once we understand our world as a reflection of the delicate metaphysical balance between Truth's incessant Will to be made manifest and the errant choices of human will, we will see the APOCALYPSE for what it really is - an unveiling of Truth through the harsh experiences that enlighten us. This unobserved dynamic has been working on an individual and collective scale throughout the history of mankind and helps us to expose the secrets believed to be forever hidden. Although December 2012 has passed, the real meaning of Mayan prophecy is found in the secrets to the book of Revelation - the unbreakable conduit between PAST and FUTURE. The secrets to Revelation's foretold perils and deceptive abuse of our mistaken beliefs can be found in the misconceptions of our past. Embark on a remarkable and unprecedented story of the human journey. Discover this timeless heirloom that sheds new light on GOD, HUMAN ORIGINS, ANCIENT MYSTERIES and REVELATION'S PROPHECY. You will never be the same again.
