Accountability Office, 2009 OCLC Number: (OCoLC)568045858 Subject: School facilities -- United States -- Maintenance and repair. Excerpt: . . . 20 percent and greater to be in poor condition. Facilities with FCIs greater than 50 percent are considered to be experiencing such levels of fatigue that the merits of reinvestment in the existing structure should be carefully considered. New Mexico created a facility assessment program that required it to evaluate the capital needs of every school facility in the state, rank all 789 public schools in terms of needed capital improvements, and prioritize funding on an annual basis for those public school facilities most in need of repair. This program enables it to optimize the allocation of limited resources. In 2003, New Mexico assessed all K-12 public school facilities and developed the New Mexico condition index (NMCI) that measures both the physical condition and the adequacy of a school facility against New Mexicos adequacy standards. Facility assessments include evaluations of eight building systems, including site utilities; structural systems (foundations, exterior walls, doors, and roof...
