Hawthorne Books. Paperback. Book Condition: New. Paperback. 174 pages. Dimensions: 8.9in. x 5.5in. x 0.6in. Married writer Jay Ponteri finds himself infatuated with a woman other than his wife and writes a manuscript to explore his feelings. Discovery of this manuscript understandably strains his marriage. Wedlocked offers readers an intimate, idiosyncratic view of a human institution that can so often fail, leaving its inhabitants lonely and adrift. The narrator struggles with living deep inside his thoughts and dreams while yearning to be known and loved by either woman in his life. For many marrieds, attraction to people other than their spouses has long been a classic refrain, and even President Jimmy Carter famously admitted to Playboy, Ive looked on a lot of women with lust. Ive committed adultery in my heart many times. . . The guy whos loyal to his wife ought not to be condescending or proud because of the relative degree of sinfulness. Ponteri lays bare his inner life and in doing so provides all of us in monogamous relationships rich material to consider. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
