Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Uncle Sam s Panama Canal and World History, Accompanying the Panama Canal Flat-Globe: Its Achievement an Honor to the United States and a Blessing to the World We State With Satisfaction that the Panama Canal Flat-Globe and Geographical World History give in a concise, yet exhaustive form, an up-to-date presentation of world-wide geography that has no counterpart. They also comprise a new and advanced system of geographical review and reference that has never existed before, in a form that is easy to understand and convenient to use. Further, they give a full illustration and description of the Panama Canal, and the facts about the Suez Canal by the highest authority. This Globe and History mark a new departure in the consideration of the complete geography of the world. They cover fully the illustration, explanation and description of the earth upon which we live. Each of the two parts (Globe and History) is necessary to the intelligent and satisfactory use of the other. Together, they comprise a product needed to-day in every family circle and business place. Panama Canal Books, geographies, maps, atlases, charts and the geographical part of encyclopedias are fragmentary and disconnected presentations, whereas the Panama Canal Flat-Globe and Geographical World History cover the subject of world-wide geography from all points, connectedly and completely. The Panama Canal Flat-Globe illustrates the whole world. It indicates upon its surface, in their proper relationship, the oceans and seas, continents, countries and islands, the continental systems of great railroads, rivers, lakes and mountains. It also gives the latitude, longitude, time around the world, steamship and cable routes, prevailing winds, ocean currents, ice-drifts, etc., and clearly shows the latest...
