# ENVIRONMENTAL IMPACTS OF GLOBALIZATION AND TRADE (HARDBACK)

MIT Press Ltd, United States, 2002. Hardback. Book Condition: New. New.. 231 x 157 mm. Language: English . Brand New Book. The relationship between trade and the environment has become an increasingly contentious issue between economists and environmentalists. Economists maintain that trade helps the natural environment because rich countries can better afford to protect their unspoiled areas. Environmentalists counter that the pursuit of national wealth drives global environmental degradation and that free trade accelerates the process. Instead of arguing one...
