By Penberthy, Ian, Editor. Wiles, Richard, Series editor.

Ammonite Press. 1 Paperback(s), 2010. soft. Book Condition: New. The new millennium saw protests against globalization, fears over climate change, a devastating financial crisis, and a scandal over the expenses of Parliament ministers. Britain was drawn into a war on terror and controversial invasions of Afghanistan and Iraq. Amid the political turmoil, a smoking ban did little to dampen celebrations of the Queen's Golden Jubilee, celebrity antics entranced the public, and the social media boom eroded the traditional reserve of the typical Briton. This book illuminates the era in some 300 captioned photos from the archives of the Press Association, founded in 1868 as Britain's national news-collecting and reporting service. 300.
