America Star Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine you find a cliff where the voice of God can be heard, or, as a child, relive the terror of a bus driver gone insane. Imagine being the one left behind to watch your friends and loved ones leave. How would you survive the frozen kisses of some unearthly thing? Could you be a bystander and watch innocent children taken by a psychotic killer? Stay and witness what the dark side of the mind's experiences in the glow of the harvest moon, or see what it sees in the deep blue of a snow-covered winter's night. Amid this collection of short pieces of writing the delicate balance between what the world sees as sanity and insanity fades into the shadows. These blurry images create in our minds a world all their own. These stories exist somewhere between light and dark, good and evil, sane and insane; come, take a glimpse. Gail Leoni, born a middle child of four brothers and sisters, experienced life through them. Finding she could do and be anything, at the age of eight she started writing about it. She still lives with the ghosts in the shadows of her family home in Evanston, Illinois. Josh Pedroza is a professional illustrator whose imaginative drawings have brought life and beauty to many diverse projects, from books to web sites. Josh lives in Morton Grove, Illinois.
