

Sight Words Magic: Number Words

By Kim Spencer Roberts

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Learning to read the number names helps children to begin building the sight word vocabulary they need to become good readers. Number words are meaningful and useful for young readers. This book provides 30 pages packed with activities to teach 11 basic number words zero through ten. The book includes 22 activity pages for individual number words, then combines numbers zero through ten in 5 additional puzzle and coloring pages. Flashcards and letter tiles are included for children to practice reading and spelling the words. Written by a special education teacher for beginning or struggling readers, this is the second volume in the Sight Words Magic Collection of workbooks. It is designed to be copied and used in classrooms or at kitchen tables to teach children to read words that matter.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
