Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the other books of this little series, I have told you about Minnie s pet parrot, her pet cat, and her pet dog. In this one, I shall give you an account of her pet pony, and also tell you anecdotes of other horses. Star was the name she gave her Shetland pony, I suppose because he had a white star on his forehead, which showed very distinctly from the contrast with his dark bay hair. He was about three feet high, with a short neck and a long black tail. He was very affectionate and gentle, loving his little mistress, and neighing pleasantly whenever he heard her voice. The little girl seldom went out to the stable without asking the cook for a piece of bread for Star. Sometimes she did not give it to him at once, but hid it under her apron. The pony soon learned this trick, and, if the bread was not forthcoming, lifted the apron with his teeth, whining like a child, until she put it in his mouth.
